

Larry Hile, CPA

GENERAL BACKGROUND

Deloitte- Seattle, Washington 1977-2009

Mr. Hile joined Deloitte in January 1977, as an audit staff member and was promoted to audit partner in 1989. Since retiring from Deloitte in November 2009, Mr. Hile consults on mergers and acquisitions for various telecommunication companies, participates in negotiating national distribution agreements, and provides advice on corporate structuring, banking covenants and raising venture capital for emerging growth companies. Mr. Hile is also available to testify in potential litigation cases and provide expert witness testimony.

PROFESSIONAL HISTORY

LARRY HILE, CPA Consulting - present

Larry Hile
Mercer Island, Washington
206-992-4428
E-mail: larrymhile@gmail.com

Served clients primarily in technology, telecom and life sciences industries.

Led and managed emerging companies to global public engagements.

Oversaw venture capital, clean tech, software, hardware, Internet, life sciences and telecom clients in Washington State.

Communicated with Board of Directors, Audit Committee and executive management on various topics, including accounting, financial statements, governance and internal controls.

Provided expert witness testimony for software licensing arbitration representing the licensor. The report issued covered a seven-year period and resulted in a settlement of \$30 million to the licensor.

Extensive experience in mergers and acquisitions, financing-debt and equity, including initial public offerings, and SEC filings.
